Year 7 SEAL

On Friday the 17th October, Year 11 Catering students held a 'Tea break' to help raise money for Epilepsy Action.

We produced a variety of cakes and biscuits, fruit kebabs as a healthy option and hot and cold drinks. This proved to be very popular with students and was well attended by all years.

We would like to thank staff and students for their contributions and donations. We managed to raise **£120** which will go towards helping to support sufferers of epilepsy, especially children.
